IBL is active in key sectors of the Mauritian economy, representing a portfolio of approximately 300 subsidiaries and associated companies.

WHY LUX* RESORTS & HOTELS ?

We go on holiday to escape the routine... Stay at a conventional resort and before long you'll know where everything is. That won't happen at LUX*. We're in touch with our impromptu side, and we love surprising you with delightful pop-up treats. An ice cream cart here, an unexpected prize hiding in a bottle over there... You may stumble across an alfresco cinema set under the stars – there one day, gone the next. Enjoy tailored wellness programmes, phone home from our telephone box offering "on the house" calls and sip on barista-prepared organic coffee, freshly roasted and blended on-site... They all reflect our spontaneous side, and a desire to celebrate moments that live long in the memory. Prepare to be surprised with our Reasons To Go LUX*.

REASONS TO GO LUX*

CINEMA PARADISO

Beanbags? Check. Fresh popcorn? You bet. Ice cream? Naturally. Our alfresco cinemas show blockbusters, family classics and much more – all under the stars, and completely on the house.

CAFE LUX*

We believe that great coffee is a must, not a luxury; that's why you'll find a Café LUX* at the heart of all our resorts and hotels. Enjoy our organic Blend, freshly roasted on-site, in a truly different café setting.

ICI

A holiday without ice cream? Not on our watch! Our guests deserve the very best, so we've created our very own ice cream brand, ICI.

PHONE HOME

We believe that holidays should be stress free, so we've introduced VOIP phones – in vintage red telephone boxes – where you can make as many local and international calls as you like, free of charge. Whether your calling friends and family, a tailor in Hong Kong or a local diving school, it's on us. There's only one condition – please do not call the office!

TREE OF WISHES

At every LUX* Resort & Hotel you'll find

a specially commissioned Tree of Wishes sculpture Tie your ribbon around one of the enchanting branches and make a wish.

LUX* ME

LUX* Me is an integrated philosophy of wellbeing, offering a step by step path to an altogether healthier way of life, our personal trainers specialise in pilates, yoga, meditation classes, nutrition and tailoring programmes to suit your specific goals.

JUNKART STUDIO AND GALLERY

Escape from the rush of everyday life and revive a forgotten hobby or learn a new skill with the new Junkart Studio and Gallery at LUX* Resorts & Hotels. Guests of all ages are invited to bring their most creative ideas to art classes and workshops. Serious fun is to be had making one-off artworks and sustainable souvenirs from up-cycled materials.

MESSAGE IN A BOTTLE

At LUX* we like to keep things fun and spontaneous. Spot one of our bottles buried on the beach or secreted in the gardens, unroll the scroll and you'll be on your way to an unexpected treat.

SCRUCAP

We love a good Burgundy or vintage Bordeaux but the Indian Ocean's a long way from the vineyards of France so we've tapped South Africa for its most exciting contemporary wines. Cape blends survive the short journey in mint condition. Introducing 'Scrucap' and 'Popcap'. Not a corked wine in sight.

PHOTO FANATICS

LUX* has created the ultimate guide to achieving the perfect holiday shots with the introduction of a photography studio and workshops. In partnership with noted photographer Michael Freeman, LUX* has produced the PhotoInspire booklet to complement the new PhotoFanatics workshops, giving holiday snappers both technical and creative guidance on the best ways to capture the moments that matter, using a smartphone or a traditional camera or SLR.

APERITIVO

Introducing the LUX* wandering Aperitivo Bar. Of course this is no ordinary Aperitivo Bar, the typical LUX* twist is that guests won't find this bar in the same place twice...
